SIMPLIFY YOUR BILL PAYING WITH AUTOMATIC BANK DRAFT

HOW BANK DRAFT WORKS

1. Your monthly gas bill will be paid automatically by your financial institution, on the due date shown on your bill (except holidays or weekends).
2. To sign up, complete and return this form by mail or fax.*
3. Bank drafting will then begin after we've processed your application. Each bill will indicate the amount to be deducted, giving you confirmation of the transaction.

** To ensure the accuracy of your bank account information and to expedite processing of your application, you may wish to include a copy of a "voided" check (as shown on right). However, a voided check is not required for enrollment.*
